Dear Harold:

It was good to hear from you, though I'm sorry you're not doing better health-wise.

I'm passing along your comments about your legal situation with DOJ to an FOIA-wise lawyer friend of mine in Washington, though I would presume--I don't know for certain--that he's had past professional dealings with Jim Lesar that might well rule him out of this picture as well.

I hope Jerry McKnight is able to forge ahead with his FOIA matters regarding Memphis.

Best,

David Garrow

P.S. My big book on King, which incorporates much of what I got from the actual phone wiretap transcripts, will be out in October/November, entitled Bearing the Cross.
